**Frederic Denise**  
Chief Operating Officer  
**BARFIELD, Inc.**

Frederic Denise is the chief operating officer at Barfield, Inc., a Sabena technics company that has been in the component repair business for airlines operating Airbus, Boeing, Embraer, Bombardier, and ATR aircraft for more than 60 years. Barfield has service locations in Miami, Phoenix, and Kentucky with 250 employees. The largest operation is in Miami.

Frederic started his career at Barfield over 10 years ago as a director of sales in the Miami area. He was promoted to VP of Sales and then became Chief Operating Officer in 2004. Prior to joining Barfield, Frederic was an area sales manager for Sogerma where he was in charge of selling services and maintenance contracts to airlines in Asia and Africa.

Frederic is a graduate of the Institut Supérieur de Gestion in Paris, France.

**Oscar Garcia**  
Chairman  
**INTERFLIGHT GLOBAL CORPORATION**

Oscar Garcia is the founding Partner, Chairman and CEO of InterFlight Global Corporation which he started in 1992. In addition, he is a senior consultant, board advisor and project manager in the areas of strategy, finance, sales and operations, with experience in setting up and expanding production, design and sales networks for aircraft, aerospace components and avionics in Europe and the Americas.

Currently, Oscar is the immediate past-president and chairman of the Aerospace Committee of the Greater Miami Aviation Association. Through IFC, Oscar is also a shareholder and former managing partner of aircraft lessor Ocean Blue Management and former President of an FAA 135 airline named Seaplanes of Key West.

Oscar holds a Bachelor's Degree in Aviation Science and Technology from the Thomas Edison State College with an aerospace engineering specialization from San Diego State University, as well as a Masters Degree in Aviation and Aerospace Business Administration (MBA) from Embry-Riddle Aeronautical University.

**Roland Moore**  
Vice President  
**ROLAND H. MOORE, P.A.**

Roland Moore has over 28 years experience in the aviation industry, having started his airline career with Eastern Airlines in New York as an accountant and financial analyst. He served as in-house counsel and Eastern's director of legal affairs for 21 years, continuing his career as special legal counsel to Pan American World Airways, Continental Airlines, Carnival Airlines, International Air Leases and Aero Peru.

Roland has handled over 700 aircraft and engine transactions. He has represented over the last 10 years foreign and domestic airlines, operating lessors and lessees in placing aircraft and engines around the globe, including clients such as BTM Capital, BAX Global, and GE Capital.

Roland has been an adjunct professor of business and aviation law for thirteen years at Embry Riddle Aeronautical University, and a guest lecturer at numerous international aviation conferences. He earned his law degree from the University of Miami and attended graduate school at Harvard.
